This seminar will go beyond the basic issues of human trafficking and how it is affecting Wisconsin – especially the rural communities.

Topics will include:

- **An overview of on-line trafficking**
- **Trafficking Myths + Misinformation vs. Facts**
- **How Trafficking impacts marginalized communities**
- **Tips for citizens who want to help**
- **Community topics and a Q&A section**

SARAH YANKE

Sarah is the Anti-Trafficking Advocate at Hope House of South Central Wisconsin, working in five counties to bring attention to the prevalence of the issue and to help those affected by Human Trafficking.
